ABOUT ME

My name is Husain Abdurrahim. I'm a 10th-grade student at IDN Boarding School Malang, majoring in Software Engineering. I'm passionate about technology and enjoy learning how to build software that solves real problems. I'm also disciplined and focused, with a background in Tahfidz that has helped shape my persistence and work ethic.

EDUCATION

IDN Boarding School Malang **Jul 2024 - Present**
Vocational High School (SMK)

- Major in Software Engginer.
- Focus on practical programming skills, software development, and project-based learning.
